

APPROVED:

THE FULL PALETTE | PRINT

PANTONE (PMS)

CMYK

PLEASE NOTE: The PMS color may look different than the cmyk color on a screen and there will be variations in colors when printed. Please consult with the printer if you have any questions.

APPROVED:

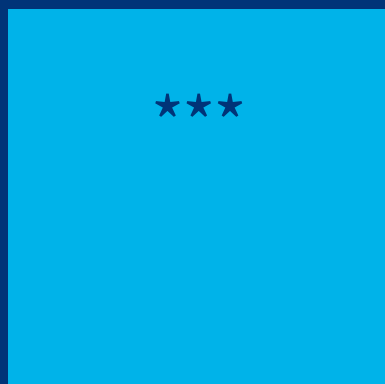

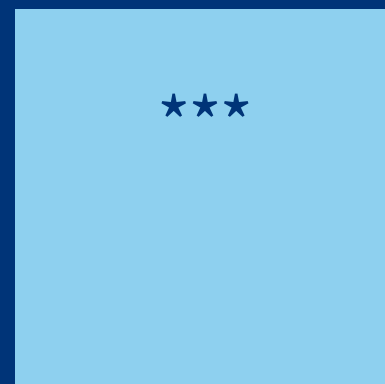

THE FULL PALETTE | DIGITAL

PLEASE NOTE: Using the online web accessibility tool, WebAIM Tracker, these colors have been determined to be accessible when used on white or Brandeis Blue digital backgrounds. For other combinations, check an online accessibility contrast tool. Also note that the recommended hex code/RGB numbers may be different whether for a white background or a Brandeis Blue background.

- ** This color combo passes for large type (3.0 minimum), but does not pass for small type (4.5 minimum).
- *** This color combo passes for both large and small type.
