

## **Reciprocal Expectations Doctoral Seminar**

### ***What expectations are mutually shared among all of us as a learning community?***

- Safe place – disagree with ideas, not people
- Engagement – fully present
- Anticipate that there will be something for everyone to learn
- Use “I” statements and only use another’s story with their permission
- No “mansplaining” – instead genuine dialogue

### ***What are your additional expectations of us?***

- Present something new and practical
- Clarify what “active learning” means
- Anticipate application after the seminar

### ***What can be our additional expectations of you?***

- Model the message – fully engage and participate
- Being honest about the frame of mind we bring into the room
- Be open to follow-up conversations after the seminar
